

COMMERCIAL SYSTEMS

NORTHWEST RAILING
DISTRIBUTORS INC.

Railcraft has emerged as an industry leader in the manufacturing and supply of commercial aluminum railing systems. We offer fully engineered standard and custom systems to suit any North American building code.

- Glass, picket and panel systems.
- Continuous handrail systems.
- Full-guard and ramp rail.
- Custom systems and profiles.
- All systems made with 6000 series aluminum.
- Engineered railings to suit your project.
- NBC, IBC 2003 and BOCA compliant.
- Site-specific commercial warranty.
- Low maintenance powder coated finish meets AAMA 2604 and 2605 standards.
- Standard, custom and RAL colors available.
- CWB certified welding on all products.
